

Chief Financial Officer

Heart of America Medical Center (HAMC) | Rugby, ND

Summary

Exciting opportunity to be a part of leading organizational change with Heart of America Medical Center in Rugby, North Dakota, as Chief Financial Officer

The Position

The Chief Financial Officer is responsible for directing and defining the organization's financial planning as well as providing strategic leadership to align with the mission of Heart of America Medical Center

This executive leader will be well versed in working with multiple departments and financial entities including forecasting, reporting, audits, monitoring accounts payable, revenue cycle management and establishing policies and procedures

Serving as a mentor, the CFO builds upon the strengths of the Accounting department and creates a highly functioning team that achieves success that equals the rest of the organization

Bachelor's degree in Accounting or Finance required, MBA preferred

Minimum of five years of related healthcare experience as CFO, CPA preferred

The Organization

Heart of America Medical Center is a Level V Trauma Center, lab, X-ray, respiratory therapy, anesthesia and surgical staff are on call 24 hours a day

In our 18-bed medical/post-surgical unit we provide acute inpatient care and observation. Our state-of-the-art intensive care unit is staffed by registered nurses and physicians certified in advanced cardiac life support

We also provide swing bed services for people with chronic illnesses or who are recovering from recent illnesses or injuries who need additional therapy before going home or to another care setting. We also provide chemotherapy, infusions or other treatments on an outpatient basis

In addition, we provide service through our clinics, on-site daycare facility and hospice

The Community

Welcome to the Geographical Center of North America! We wish all our visitors a warm welcome, the enjoyment of our friendly community and invite you to check out Rugby's attractions

Rugby has a museum, library, golf course, movie theater, swimming pool, parks, playgrounds, hockey arena, ball diamonds, and excellent hunting grounds for waterfowl, upland game, and big game
